

# On-board unit registration

# Log in and select the menu Accounts.

The screenshot shows the HU-GO website interface. At the top, there is a navigation bar with the HU-GO logo and the text "ELECTRONIC TOLL SYSTEM". Below the logo, there is a search bar and a language selector. The main content area features a navigation menu with three buttons: "Profile", "Accounts", and "Logout". A large blue arrow points to the "Accounts" button. Below the navigation menu, there is a section for "News" with a list of articles. The first article is titled "HU-GO fine alert function goes live to protect compliant freight forwarders" and is dated 2015.07.15. The second article is titled "Important note about toll payment on the new speedway road section connecting Hungary with Romania".

Important note about toll payment on the new speedway road section connecting Hungary with Romania

# Select the relevant account and click Next at the end of the row.

The screenshot shows the HU-GO Electronic Toll System interface. The page title is "Accounts". Below the title is a table with the following columns: Account ID, Type, Balance, and two action buttons: "NEW VEHICLE +" and "NEXT >".

Account ID	Type	Balance	NEW VEHICLE +	NEXT >
240139824	pre-paid	16 HUF	+	>
243153525	pre-paid	0 HUF	+	>
247794167	pre-paid	0 HUF	+	>
250543188	pre-paid	0 HUF	+	>

At the bottom of the table, there is a "PRINT >" button on the left and an "ADD NEW ACCOUNT +" button on the right. A large blue arrow points from the top right of the page down to the "NEXT >" button of the first row.

# Vehicles attached to this account

The screenshot displays the HU-GO Electronic Toll System user interface. At the top, the browser address bar shows the URL <https://hu-go.hu/customer/szamlaadatok>. The page header includes the HU-GO logo and the text "Electronic Toll System". A user greeting "Welcome PROBA XD" is visible, along with navigation links for "Accounts", "Vehicles", "Purchases", "Profile", and "Logout".

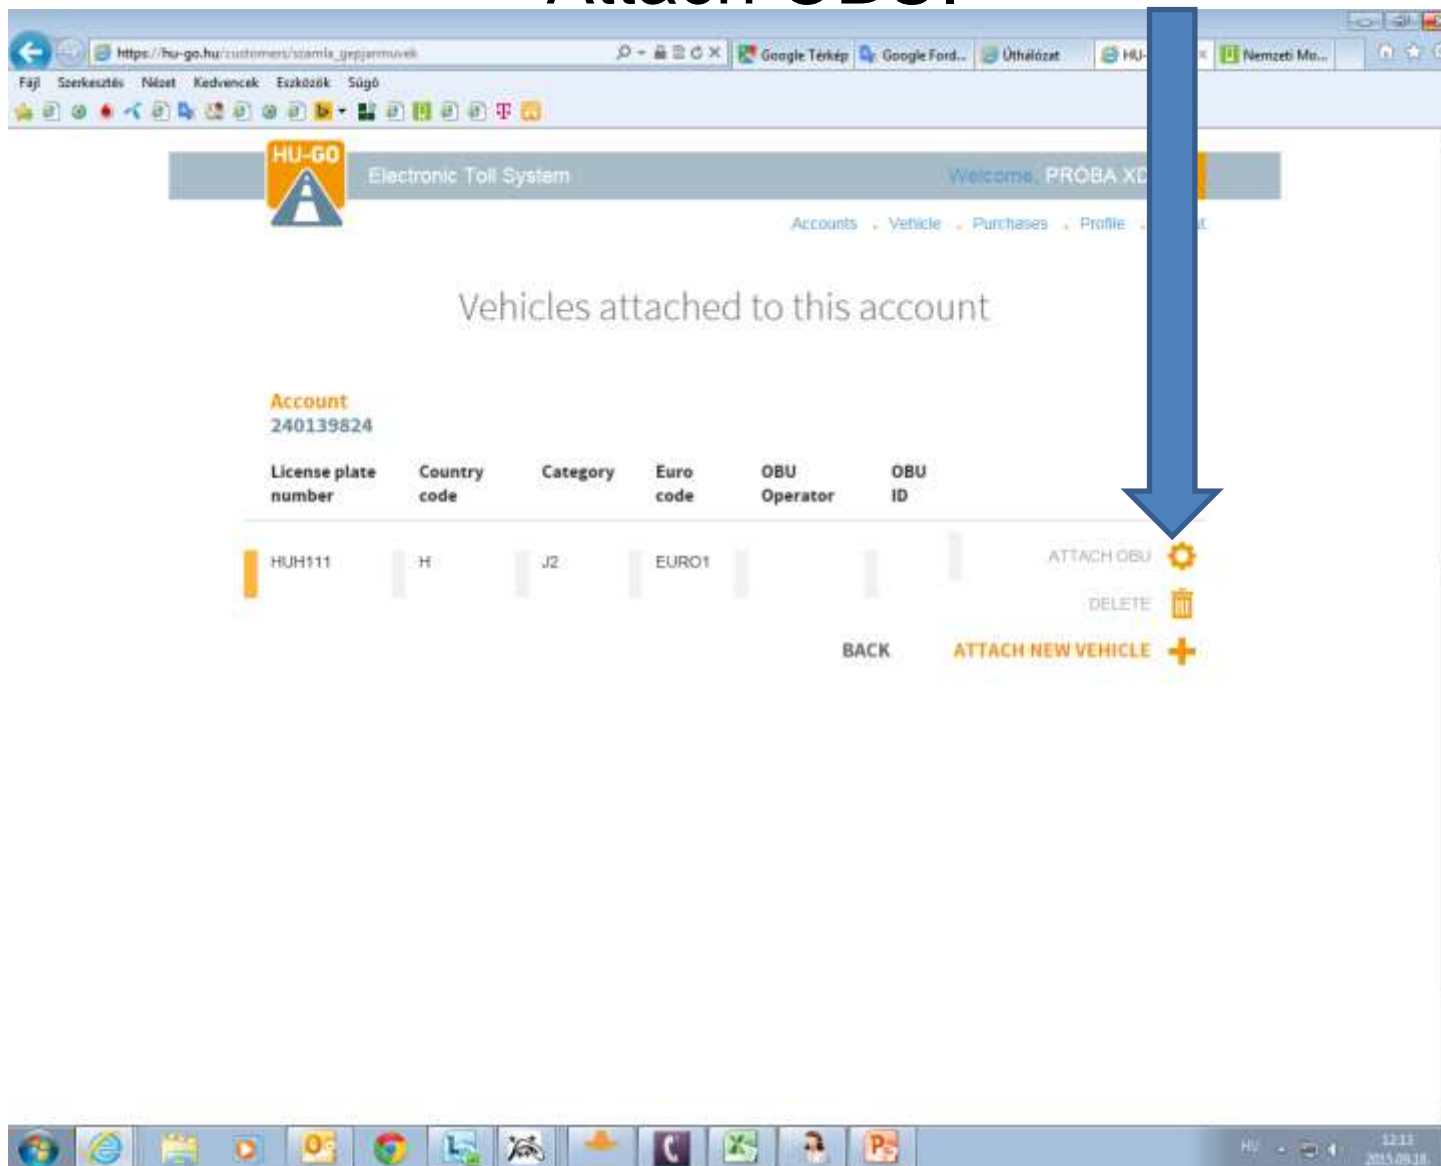

The main content area features two summary cards: "Account" with ID 240139824 and Code: QDCM, and "Actual balance" of 16 HUF. Below these are two rows of navigation buttons:

- Row 1: Balance topup, Vehicles attached to all accounts, New account, Invoices
- Row 2: Purchasing transit ticket, **Vehicles attached to this account**, Account administration, Purchased transit tickets

A large blue arrow points from the title "Vehicles attached to this account" to the "Vehicles attached to this account" button in the second row of the navigation menu.

The Windows taskbar at the bottom shows the system tray with the date 2015.09.14 and time 12:53.

In the menu Vehicles attached to this account select the relevant motor vehicle, then click on the menu item Attach OBU.

The screenshot shows the HU-GO Electronic Toll System web interface. The page title is "Vehicles attached to this account". The account number is 240139824. A table lists the attached vehicles with columns for License plate number, Country code, Category, Euro code, OBU Operator, and OBU ID. The first vehicle has license plate HUH111, country code H, category J2, and euro code EURO1. To the right of the table, there are three buttons: "ATTACH OBU" with a gear icon, "DELETE" with a trash can icon, and "ATTACH NEW VEHICLE" with a plus sign icon. A blue arrow points to the "ATTACH OBU" button.

License plate number	Country code	Category	Euro code	OBU Operator	OBU ID
HUH111	H	J2	EURO1		

Account: 240139824

Buttons: ATTACH OBU, DELETE, ATTACH NEW VEHICLE

Enter the data of the on-board unit, then click on Save.

Account: 240139824

License plate number: HUH111

Euro code: EURO1

Category: J2

EDIT

**OBU**

OBU ID   
e.g. 940123654987

OBU PIN   
PIN usage may differ by providers

Setting of vehicle category\*

**on the HU-GO portal** means that both the declaration of road usage and the calculation of road usage cost are based on the JDB category (number of axles) as it stated by the road user on the Vehicle Properties page of the www.hu-go.hu site.

**with the use of Toll Declaration Operator** means that the declaration of road usage and calculation of road usage cost is based on the JDB category info coming from the OBU - if the OBU provider can supply this information. Of course, when the OBU cannot provide such information, the usage will be declared and the cost will be calculated based on the JDB category value declared by the road user on the Vehicle Properties page of the www.hu-go.hu site.

OBU ID

OBU PIN, usage may differ.

The interface confirms the success of the attachment, and the number of the unit and the name of the Toll Declaration Operator is displayed.

The screenshot displays the HU-GO Electronic Toll System interface. A green confirmation message states: "Vehicle data is attached to your account." Below this, the account details are shown: Account 240139824. A table lists the attached vehicle information:

License plate number	Country code	Category	Euro code	OBU Operator	OBU ID	
HUH111	H	J2	EURO1	XYZ	911 225 489	ATTACH OBU DELETE ATTACH NEW VEHICLE

At the bottom of the table, there are buttons for "BACK" and "ATTACH NEW VEHICLE". The interface also includes a navigation menu with options like "Accounts", "Vehicle", "Purchase", "Profile", and "Logout".
